

September 2026

September's *Spotlight on Sobriety* brings together experience, strength, hope, fellowship, and opportunities to participate in the future of GaL-AA.

This month, we share Gary D.'s remarkable journey through more than four decades of sobriety, hear from members in our *Voices of Sobriety* series, and provide important reminders about GaL-AA's upcoming bylaw vote and annual elections. And, as always, we celebrate members reaching another month and year in their sobriety journeys.. **September 2026**
